Dear Sir:

Applicant hereby submits its Renewed Petition Under 37 C.F.R. 1.181 in response to the Patent Office's Decision on Petition, which was mailed July 28, 2003 (copy attached). The undersigned submits in support herewith a signed Statement and supporting docket report from the prior practitioner of record to comply with the full, required showing necessary to establish non-receipt of an office communication, in this case, the Notice of Allowance, pursuant to MPEP 711.03(c) II. Applicant respectfully requests its Renewed Petition be granted and the Patent Office issue a new Notice of Allowance to the undersigned attorney, so that we may pay the issue fee due.

As you know, an earlier petition was filed by previous counsel of record on December 14, 2001 and entitled "Petition to Withdraw Holding of Abandonment – Notice of Allowance Not Received" (copy enclosed, along with supporting print-out of docket records reflecting non-

receipt of the original Notice of Allowance and Issue Fee Due Statement). Please know that the undersigned counsel of record has recently taken over responsibility for this application per Applicant's instructions (copy of Revocation and Appointment of Power of Attorney attached along with recently recorded Name Change document at Reel 013991, Frame 0723, reflecting Metaldyne Machining and Assembly Company, Inc. as the current owner of record).

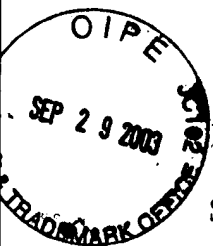

This Renewed Petition and supporting Statement and docket report are due to the Patent Office not later than September 28, 2003 to be timely considered. Accordingly, no fees are believed due at this time, but if we are mistaken and there are any fees due, please charge our deposit account 13-0265.

Respectfully submitted,

Dear Sir:

I, John S. Artz, a partner in the law firm Artz & Artz, P.C., do hereby state and attest as follows:

1. I was the attorney of record for the above captioned case from the time the application was filed on January 21, 2000 until September 17, 2003 when the file was transferred to McDonald Hopkins Co., L.P.A.
2. We received the Notice of Abandonment dated October 10, 2001 on or about October 31, 2001, the date on which our docket/mail staff stamped it as received. The application was abandoned for failure to pay the required issue fee in a timely manner.
3. We did not receive a Notice of Allowance and Issue Fee Due statement from the U.S. Patent and Trademark Office and thus did not pay the issue fee that was due.
4. Upon receipt of the Notice of Abandonment on or about October 31, 2001, we thoroughly searched our office, including both our patent file jacket and our personal files, and did not locate the Notice of Allowance and Issue Fee Due statement.

5. We also thoroughly searched our docket system and records which confirmed we had not received the Notice of Allowance and Issue Fee Due statement from the U.S. Patent and Trademark Office.
6. Accordingly, we timely filed a Petition to Withdraw Holding of Abandonment – Notice of Allowance Not Received on December 14, 2001 and attached a copy of the docket record reflecting where the non-received Notice of Allowance and Issue Fee Due dates would have been entered.
7. We received a Decision on Petition mailed July 28, 20023 from the U.S. Patent and Trademark Office stating our Petition was dismissed for failing to comply with all the requirements of MPEP 711.03(c)II.
